# LOCALLY OWNED & OPERATED

A LOVING COMMUNITY WHERE  
RESIDENTS ARE TREATED AS FAMILY

- Month to month rental with no buy-in fees
- 1:7 Caregiver to Resident ratio unlike any other
- All medications monitored and administered by nurses
- Nurses on-site around the clock, 24/7
- All inclusive, includes private room, assistance with tasks of daily living, meals, individual laundry service, utilities, and TV
- Licensed memory care
- Locally owned and operated

At River Birch Senior Living our "person-centered care" approach provides services tailored to each individual's unique needs, ensuring optimal engagement in life. By doing this, we can ease assisted living residents through lifestyle transitions and enhance their happiness. Our approach at River Birch focuses on:

#### Listening to Our Residents

We recognize those services that are essential to our residents and integrate additional specialized needs into every aspect of their life. We emphasize respecting individual preferences and providing these to the best of our ability. Our person-centered care with attentive 24-hour staff and a unique 1:7 caregiver-to-resident ratio make a difference in the level of care and familiarity we offer our residents. Our 24-hour caregivers provide assistance with all activities of daily living (bathing, toileting, dressing, eating and mobility). Being able to offer around the clock attention is critical to our mission.

#### Short-Term Stays/Respite Care

A short-term stay at River Birch Senior Living offers an ideal, no-pressure setting for older adults who want to experience assisted living on a trial basis, live in a safe place during severe weather months, or regain their strength after a visit to the hospital and provides respite to their caregivers. Our all-inclusive services enable guests to receive the support they need in a fulfilling, stress-free environment. Guests benefit from the same amenities and services that our long-term residents enjoy whether for just a few days, a week or two, or longer.

#### Basic Features

We offer private rooms for all residents. Our licensed memory care facility with trained staff is available for those who need redirection and additional assistance. All medications for residents are monitored and administered by nurses and health care needs are assessed and communicated to the resident's physician and family. Specialized cognitive, physical and social activity programs and events are planned and implemented by our full-time activities director and staff to provide an enjoyable experience for all. Residents are transported to all medical appointments and accompanied by CNA trained nursing staff.

#### Activities

We have a full calendar of engaging activities for learning, creativity and socialization for all residents. Many take place on-site with the help of our activities staff. Daily devotions include gathering our community together for singing, discussion and fellowship. Chaperoned community outings for dining, shopping, or visiting local places of interest are also part of the overall River Birch experience. Cable T.V. and internet service is available in common areas, private rooms and suites at no additional charge.

#### Emergency Assistance

We have 24-hour assistance provided through an emergency call system that each resident wears as a pendant, as well as state-of-the-art monitoring and security systems. The safety and peace of mind of our residents and their families is of utmost importance to our daily delivery of care.

#### Fitness

Our senior-friendly exercise programs maximize mobility, strength and overall health. Additionally, the daily activities provided by our activities staff offer creative cognitive fitness opportunities, as well as creative expression.

#### Housekeeping

We provide linen and laundry services, plus all maintenance duties and housekeeping for our residents' rooms and common areas.

#### Leisure and Luxury Services

Our on-site full service beauty salon and barber service is available separately for those who would like that special touch to personal well-being. When weather permits, our residents can enjoy our outdoor walking paths or just a relaxing visit on the shaded patio areas.

#### Medical

Our licensed nurses are on site 24/7 and assist with medication management and administration as well as supervising doctors' orders for residents. With the services of our director of nursing, we cooperate with family physicians, area home-health agencies and hospice programs as residents' needs change.

#### Memory Care

We are licensed to provide memory care with trained staff who are involved in ongoing education related to working with older adults with memory impairment to provide security, stress management, consistency and compassion.

#### Nutrition

We employ a qualified dietary staff to ensure delicious meals that are full of flavor and variety. Our dietician-ap-

proved menus include three daily meals plus snacks in the comfortable family-style dining room, affording residents a relaxed and familiar home experience. Families are always welcome to join us for any meal. Providing meals for special dietary needs is not a problem.

#### Social Interaction

We offer a calendar filled with daily events to encourage social interaction with other residents, offering opportunities to meet and know those in other River Birch homes, as well as just enjoying a card game with their housemates. Residents are encouraged to help with baking, cooking, crafting or any activities that they can safely do in order to feel connected and purposeful.

#### Transportation

We provide chaperoned transportation for social activities, errands, medical appointments and other outings in our own safe, wheelchair accessible van. These services and activities at River Birch Senior Living are included for all residents.

#### Adult Day Care/Adult Evening Care

At River Birch Senior Care, we are offering this new service to our community. We will have staff designated to provide this care for specific hours for those seniors who currently live at home with family, but need care for only daytime hours or evening hours short term. Please call today to find out how we can provide the best atmosphere and care for your loved one.

**Established:** 1840

Bunn-O-Matic Corporation traces its lineage back to the 1840s when Jacob Bunn Sr. opened a grocery store in Springfield and started a fascinating family legacy that involves several other enterprises which shaped Springfield's history. Today, Bunn has offices around the world and its products are sold in 83 countries, yet it is still family owned with its global headquarters in Springfield.

**Community involvement:** American Cancer Society, American Red Cross, Central Illinois Food Bank, Ronald McDonald House, United Way.

*Your Friendly Beer Distributor*

*"It's a tight-knit family business. They're very loyal to their customers and strive for good customer service and relations." – Jay Bates*

**Address:** 1000 Hazel Dell Road, Springfield

**Website:** [www.robertchickfritz.com](http://www.robertchickfritz.com)

**CEO/President:** Robert "Bobby" Fritz

**Established:** 1947

Robert "Chick" Fritz started the distributing company in southern Illinois. His grandson, Bobby Fritz, who now serves as the company's president, says his grandfather's ideals of friendliness and a focus on doing one thing well still guide the company.

**Community involvement:** They are involved with organizations including St. Jude Children's Hospital and the Illinois State Police, and donate to and support local charity events such as the Fat Ass 5K and many others.

*"I just enjoy working with people, helping them work toward and reach their goals. It's not just about the numbers here. It's about relationships." – Bree Heineman*

**Address:** 21 offices in the Springfield and Jacksonville areas

**Website:** [www.edwardjones.com](http://www.edwardjones.com)

**CEO/President:** Jim Weddle

**Established:** 1922

Since its founding in 1922, Edward Jones Investments has grown to nearly 15,000 financial advisors across the U. S. and Canada, and has been active in central Illinois since 1975. The company is divided into regions and Springfield is within a region that covers 13 counties.

**Community involvement:** Alzheimer's Association, American Cancer Society, American Heart Association, American Red Cross, Juvenile Diabetes Research Foundation, March of Dimes Foundation, Susan G. Komen Breast Cancer Foundation, Toys for Tots and United Way.

*"There is such a team effort here. It's a great place to work, a fun place to work. I feel like everybody here is committed to doing the best job they can." – Jo Turley*

**Address:** 801 N. Rutledge, Springfield

**Website:** [www.siumed.edu](http://www.siumed.edu)

**CEO/President:** Dr. Jerry Kruse

**Established:** 1970

SIU Medicine in Springfield has accomplished something no other institution has ever done in the history of American medicine. It received an eight-year accreditation with no citations and three commendations—an unprecedented feat.

**Community involvement:** Caring for the community of central and southern Illinois is their mandate. Beyond providing extensive clinical and education services, the faculty and staff travel to more than 171 outreach sites in nearly 90 Illinois communities.

Interested in nominating an individual or a company for our of our annual awards?

Visit [www.springfieldbusinessjournal.com](http://www.springfieldbusinessjournal.com) and click on the "Awards Programs" tab. Nominations are accepted year round.

BEST PLACES TO WORK

Do you love your job? Do you feel like you are working for one of the best companies in central Illinois? Here is your opportunity to let everyone know. United Community Bank and Springfield Business Journal help identify the companies in central Illinois that are the "Best Places to Work." The only requirement is that the company must have more than 35 employees. These businesses will be recognized in a special section of the January issue and honored at an awards reception and ceremony to follow.

WOMEN OF INFLUENCE

Security Bank is proud to partner with Springfield Business Journal for the annual "Women of Influence" recognition program. Women of Influence honors local women for their contributions to the Springfield area community. All have made important contributions to the community at large, but nominations are not limited to the business community for this program. The area's reputation as an exemplary place to live, work and raise a family is dependent upon the day-to-day hard work and long-range foresight of each and every one of us. These women are significant for their valuable contributions in making Springfield the outstanding community that it is. The recipients will be profiled in the May issue and honored at a reception.

FORTY UNDER 40

Security Bank, University of Illinois at Springfield, and the Greater Springfield Chamber of Commerce partner with Springfield Business Journal to recognize 40 leaders who are under the age of 40 in the Springfield and neighboring business communities. These individuals are selected based on their contributions to our local business community and the community in which they reside. The selectees' career paths, educational background, and community affiliations are varied. They represent the best and brightest from a wide range of occupations. You can expect to hear more from and about these leaders in the years ahead. The selectees will be profiled in the July issue and invited to an awards reception.

15 UNDER FIFTEEN

15 Under Fifteen is an awards program recognizing locally owned small businesses. To be eligible for recognition, the business must employ fewer than 15 employees and have been in business for more than two years. Celebrating the success of local businesses plays an important role in sending a message regionally and statewide that the Springfield metropolitan area is a great place to do business. Fifteen selectees will be profiled in the October issue and honored at an awards reception.
