WE ARE SHG

WWW.SHG.ORG

217-787-1595 1200 W. WASHINGTON

An educator's job doesn't stop when the school bell rings.

Whether it's in the classroom, or in the community, we're hard at work.

But we always want to do more.

The Illinois Education Association understands that high quality teachers and education support professionals are the key to high performing schools. And we all benefit when our schools are strong.

That's why we're fighting for school funding, smaller class sizes and to make sure politicians are held accountable.

WWW.SHG.ORG

217-787-1595 1200 W. WASHINGTON

An educator's job doesn't stop when the school bell rings.

Whether it's in the classroom, or in the community, we're hard at work.

But we always want to do more.

The Illinois Education Association understands that high quality teachers and education support professionals are the key to high performing schools. And we all benefit when our schools are strong.

That's why we're fighting for school funding, smaller class sizes and to make sure politicians are held accountable.
